Semester 1 - Plan

The purpose of this document is to organize my important course dates, and this will help us to create a study plan. This will also allow us to manage our time better by having a visual support. After extracting all the important dates like days where we will have exams, assignments, deliverables, and any other important course dates from my course outlines that I'm taking this semester.

I am currently taking 6 courses which are the following:

-(TR) FITNESS: VOLLEYBALL 109-101-MQ

-MATH CONCEPTS 201-114-VA

-PROGRAMMING 1 420-101-VA

-INTRO TO COMPUTER SCIENCE 420-121-VA

-GAME PROGRAMMING 1 420-141-VA

-(BL) LITERATURE AND COMPOSITION 603-101-MB
